Dear Miss Xueying Feng,

Thank you for your application.

Please find attached the results of your Skills Assessment from VETASSESS for your nominated occupation of Private Tutors and Teachers nec (ANZSCO Code: 249299).

We regret to inform you of a negative Skills Assessment outcome. The attached assessment gives further details and we have also provided a list of frequently asked questions and answers that we hope you will find helpful.

Required Skill Level:

This occupation requires a qualification assessed as comparable to the education level of an Australian Qualifications Framework (AQF) Bachelor degree or higher degree and in a field highly relevant to the nominated occupation.

In addition to the above, it is essential for applicants to meet the following employment criteria:

- at least one year of post-qualification employment at an appropriate skill level,
- undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

If the qualification is not in a highly relevant field, then the applicant must have:

- three years of post-qualification employment experience at an appropriate skill level,
- undertaken in the last five years,
- working 20 hours or more per week, and
- highly relevant to the nominated occupation.

This is reduced to two years if there is an additional qualification at least at AQF Diploma level in a highly relevant field.

If employment has occurred before completion of qualification, then five years of highly relevant employment experience are required in addition to at least one year of highly relevant employment at an appropriate skill level in the last five years.

Please note in order to achieve a successful Skills Assessment Outcome, a positive assessment for both qualifications and employment is required.
